

**SOFT GOODS
DONOR CENTER FLOW**

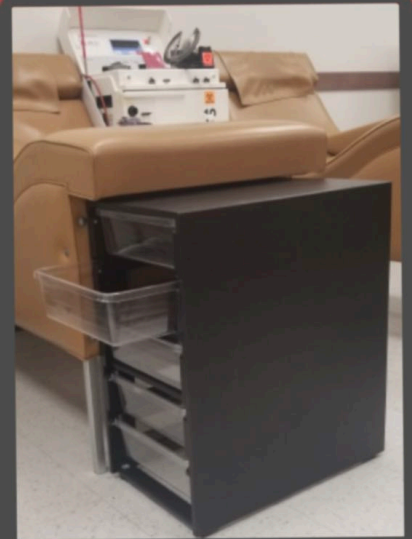

STEP TWO
Transport

Roll the loaded SG Transport Cart™ to the donor floor. The SG Transport Cart™ holds 20 trays, for a total up to 60 softgoods set-ups per cart.

STEP ONE
Assemble

Replenish the Supply Trays in the Critical Supply Room and load trays into the Transport Cart™. Each tray holds up to 3 softgoods set-ups.

STEP THREE
Access

Remove the empty trays from the SG Access™ or SG Supply Cart™. Replace these with full trays from the SG Transport Cart™.

STEP FOUR
Replenish

Return the SG Transport Cart™ to the Critical Supply Room to re-initiate the process.
